

Cuisson 41h

Wi-Fi module

PATENTED SYSTEM
Vertical chamber

High quality internal and
external components

The perfect partner in every situation

Designed for the most demanding Chef, it perfectly vacuum packages any type of product thanks to the innovative vertical chamber for the easy packaging of liquid products and to the Chef cooking programs designed for food intended for sous-vide cooking. The thickness of the lid and the hydroformed stainless steel vacuum chamber are just some of the strengths of Cuisson 41h.

Cuisson 41h is ideal for:
